

# How to conduct virtual enrollment

Safety of SEVENFACT® for the Treatment of Bleeding Events in Patients with Hemophilia A or B with Inhibitors

## ATHN 16

1

**Run a screening report in ATHN Systems.**  
ATHN 16 Potential Participants List or ATHN 16 Potential Subject Selection Report Prescribed Bypassing Agents-ATHN

2

**Ask the provider if it's okay to approach the patient for enrollment**

3

**Prepare materials and contact the potential participant**

4

**Schedule e-consent and virtual enrollment**  
A physical exam with vitals, done within 6 months, can be used for screening requirements.

5

**Update ATHN Systems:** Clinical Manager and Study Manager

6

**Consider Robust Health**

7

**Follow the participant virtually to study completion**
